PATIENT CERTIFICATIONS

PATIENT: PLEASE READ THE FOLLOWING CAREFULLY, THEN DATE AND SIGN WHERE INDICATED IN SECTION 1 ON PAGE 1

I am enrolling in the COMPASS Patient Support Program (the "Program") and authorize Sanofi and their affiliates and agents to provide me services under the Program, as described in the Program Enrollment Form and as may be added in the future. Such services include medication and adherence communications and support, medication dispensing support, coverage and financial assistance support, disease and medication education, and other support services (the "Services").

Provention Bio COMPASS is a patient support program that helps patients to gain access to TZIELD and provides patients with education and resources related to TZIELD.

I authorize Provention Bio COMPASS under the Fair Credit Reporting Act to use my demographic information to access reports on my individual credit history from consumer reporting agencies. I understand that, upon request, Provention Bio COMPASS will tell me whether an individual consumer report was requested and the name and address of the agency that furnished it. I further understand and authorize Provention Bio COMPASS to use any consumer reports about me and information collected from me, along with other information they obtain from public and other sources, to estimate my income in conjunction with the Patient Assistance Program eligibility determination process, if applicable. I further understand that no free product may be submitted for reimbursement to any payer, including Medicare and Medicaid; and no free product may be sold, traded, or distributed for sale. If approved for the Provention Bio COMPASS Patient Assistance Program, I will not seek to have the value of any medication provided to me under this program counted toward my true-out-of- pocket (TrOOP) cost for prescription drugs for my Medicare Part D Plan.

I understand that I may be contacted by Sanofi for follow-up information in case I report an adverse event.

I give permission to be referred by my COMPASS Navigator to a Therapeutic Education Manager (TEM) if I ask for clinical information regarding TZIELD. I acknowledge that a TEM will provide only information about TZIELD, not any medical advice or support, and that my doctor is the best resource for any medical questions or concerns about my treatment and my disease.

I give permission to Sanofi to provide me with informational and promotional materials relating to Sanofi or its affiliates products and services and/or my or my child's condition or treatment (together, the "Communications"). I also understand that the personal data I provide on this form may be shared with third parties operating on behalf of Sanofi or its affiliates to conduct market research. I authorize Sanofi and these third parties to contact me for market research purposes, though I understand that my personal data will not be sold to any third party. I understand that I do not have to enroll in the Program or receive the Communications, and that I can still receive TZIELD, as prescribed by my Healthcare Provider. I can opt out of receiving the Communications, support services offered by the Program, or being subject to market research at any time by notifying a Program representative by telephone at 1-844-778-2246 or by sending a letter to Sanofi US, PO Box 4996, Trenton, NJ 08650. The terms and conditions can be found here: https://www.tzield.com/pdf/compass-program-mobile-terms-and-conditions.pdf. I understand that additional text messaging terms and conditions may be provided to me in the future as part of an opt-in confirmation text message.
